## **Archival Strategies and Techniques (Qualitative Research Methods) Michael Ray Hill**

Historical and biographical work is becoming a more common type of qualitative research done by social scientists and usually requires the extensive use of formal archives housed in universities, governments, museums and other institutions. This practical and concise book provides an introduction for the novice on conducting archival research and covers such topics as contacting and preparing to work in archives, the protocol of using archives, and ways of organizing and referencing the useful data from the archive.
