Beware when the vampires come to town.

When traveling actors recruited his wife for a plum role, Cody Wilson had no idea they would murder her. Twelve-year-old Willet Black was just as devastated the night the fiends slaughtered everyone he loved. Now Cody and Willet are bent on revenge, but neither of them suspects what they're really up against.

For the actors are vampires. Their thirst for human blood is insatiable. Even if word of their atrocities were to spread, it would take an army to oppose them. But it is 1885 in the wilds of New Mexico, and there is no help for Cody and Willet. The two must battle the vampires—alone—or die trying.
