Westley Worthington has it all. Piles of money, good looks, a head for business, and a seemingly limitless supply of women who want to please him. And that's just the way he likes it. Until a brush with death causes him to rethink his priorities, and consider someone besides himself for the first time in his privileged life.

Cordelia Cross has never had it easy. Her duty to her family has her working as an assistant to a man she hates just to pay her sister's medical bills. When her arrogant boss alienates his last true friend, she finds herself promoted from schedule-managing coffee grabber, to the newest member of West's inner circle.

Tempers, and passions, ignite as the two start spending time together, until a shocking accident puts their newfound attraction on ice. When West is faced with the toughest trial of his life, Cordelia helps him realize that he has all the tools he needs to be a force for justice.

Together, they must turn West into the hero no one ever thought he could be.

Reconstructed is part one of **Building a Hero**, a billionaire superhero romance trilogy from bestselling author Tasha Black.
