The European Union Explained: Institutions, Actors, Global Impact Andreas Staab

This brief and accessible introduction to the European Union is ideal for anyone who needs a concise overview of the structure, history, and policies of the EU. This updated edition includes a new chapter on the sovereign debt crisis in the Eurozone. Andreas Staab offers basic terms and interpretive frameworks for understanding the evolution of the EU; the overall structure, purpose, and mandate of its main constituent divisions; and key policy areas, such as market unification and environmental policy.
