The Geography of English Politics (Routledge Library Editions: Political Geography): The 1983 General Election

R. J. Johnston

The Geography of English Politics (Routledge Library Editions: Political Geography): The 1983 General Election R. J. Johnston

This book illustrates the degree of variability in voting behaviour within social groups and suggests reasons for that variability. It reviews and critiques conventional analyses and presents statistical analyses of the geography of voting in England. The book reveals that substantial geographical variations exist in the widely-held generalisations, such as that white-collar owner-occupiers favour the Conservatives or that blue-collar council tenants prefer Labour.
