**Whiting Up: Whiteface Minstrels and Stage Europeans in African American Performance** Marvin McAllister

In the early 1890s, black performer Bob Cole turned blackface minstrelsy on its head with his nationally recognized whiteface creation, a character he called Willie Wayside. Just over a century later, hip-hop star Busta Rhymes performed a whiteface supercop in his hit music video "Dangerous." In this sweeping work, Marvin McAllister explores the enduring tradition of "whiting up," in which African American actors, comics, musicians, and even everyday people have studied and assumed white racial identities.

Not to be confused with racial "passing" or derogatory notions of "acting white," whiting up is a deliberate performance strategy designed to challenge America's racial and political hierarchies by transferring supposed markers of whiteness to black bodies--creating unexpected intercultural alliances even as it sharply critiques racial stereotypes. Along with conventional theater, McAllister considers a variety of other live performance modes, including weekly promenading rituals, antebellum cakewalks, solo performance, and standup comedy. For over three centuries, whiting up as allowed African American artists to appropriate white cultural production, fashion new black identities through these "white" forms, and advance our collective ability to locate ourselves in others.

Therefore , not at all of book tend to be make you bored, any it can make you feel happy, fun and rest. Try to choose the best book for yourself and try to like reading that will.

#### **Mildred Kershner:**

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Whiting Up: Whiteface Minstrels and Stage Europeans in African American Performance can make you experience more interested to read.
