## **Attachment and New Beginnings: Reflections on Psychoanalytic Therapy (The United Kingdom Council for Psychotherapy Series) Jonathan Pedder**

This collection of written pieces plots the work of an NHS psychotherapist, Jonathan Pedder, turning the science of psychiatry into human encounters. He had a career teaching and inspiring colleagues and students with psychoanalytic ways of thinking, encouraging and supporting them in the challenges of contemporary psychiatry. In his work he made the world of psychoanalysis accessible to non-analysts, and this book augments the textbook on psychotherapy which Pedder wrote with Dennis Brown. Pedder was a quiet visionary influential in offering a pathway for mental health workers from many disciplines to find their way to the psychoanalytic ideas that illuminate their patients/clients.' - Professor R. D. Hinshelwood, Author of Clinical Klein and Dictionary of Kleinian Thought
