Me and Annie McPhee

Olivier Dunrea

Me and Annie McPhee Olivier Dunrea

A cumulative counting book and rollicking read-aloud, full of fun for readers who love *This Is the House that Jack Built* and *There Was an Old Lady Who Swallowed a Fly*

*In the middle of the sea,
as far as the eye could see,
there was nothing to see but sea.*

*Nothing but sea and
one tiny island just big enough for me.
Just big enough for me and Annie McPhee,
who was no bigger than me.*

But what begins as an empty island in the middle of the sea becomes fuller and fuller as readers turn through the pages. Meet two wee dogs who think that they're frogs, three perky pigs that are all wearing wigs, four frumpy hens who are hunched with their pens -- and more! The lonely island "just big enough for me and Annie McPhee" might not be so lonely after all!

Praise for *Me and Annie McPhee*:

"It's light, cheery fun, full of verbal and visual silliness."--*Publishers Weekly*

"A bouncy rhythm—and full-on shouted conclusion—can't be beat."--*Kirkus Reviews*

From the Hardcover edition.

From reader reviews:

Michele Anderson:

In this 21st century, people become competitive in every single way. By being competitive currently, people have to do something to make these individuals survive, being in the middle of typically the crowded place and notice simply by surrounding. One thing that oftentimes many people have underestimated that for a while is reading. Sure, by reading a guide your ability to survive rises then having a chance to stand up than other is high. For you who want to start reading some sort of book, we give you this specific Me and Annie McPhee book as a starter and daily reading publication. Why, because this book is usually more than just a book.

Virginia Scheffer:

Exactly why? Because this Me and Annie McPhee is an extraordinary book that the inside of the book is waiting for you to snap this but later it will zap you with the secret the item inside. Reading this book close to it was fantastic author who all write the book in such an awesome way makes the content interior easier to understand, entertaining means but still conveys the meaning entirely. So, it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of benefits than the other book possesses such as help improving your proficiency and your critical thinking technique. So, still want to hold up having that book? If I were you I will go to the publication store hurriedly.

Sarah Luis:

Beside this particular Me and Annie McPhee in your phone, it could give you a way to get nearer to the new knowledge or information. The information and the knowledge you may get here is fresh in the oven so don't always be worried if you feel like an aged person lives in a narrow village. It is a good thing to have Me and Annie McPhee because this book offers for you readable information. Do you at times have a book but you seldom get what its facts concern. Oh come on, that will not happen if you have this with your hand. The enjoyable blend here cannot be questionable, such as treasuring a beautiful island. Techniques you still want to miss it? Find this book along with read it from currently!

Patrice Reese:

As a pupil exactly feel bored to reading. If their teacher expected them to go to the library as well as to make a summary for some publication, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the professor wants, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So, this Me and Annie McPhee can make you really feel more interested to read.
