## **Men Talk: Stories in the Making of Masculinities** Jennifer Coates

*Men Talk* draws on rich conversational material from a wide range of contexts to illuminate our understanding of men and masculinities at the turn of the millennium.

- Draws on rich conversational material to illuminate our understanding of men and masculinities at the turn of the millennium.
- Collects data from a wide range of conversations, including garage mechanics on a break, carpenters at the pub after work, and university academics chatting after hours.
- Focuses on stories, which occur within all-male conversations.
- Makes a distinctive contribution to our understanding of the intersection of language and masculinity.
