The further silent adventures of the trouserless man, who now extends his half-dressed antics outside the office onto an unsuspecting world...

Enter the extraordinarily ordinary world of a half-dressed man.

In the world of ROGER, silence speaks volumes, whether in the workplace, at leisure, or on his travels.

Following his debut collection of captionless cartoons in 2006, this follow-up book sees ROGER outside the womb-like comfort zone of the office and follows his bemused antics in the domestic environment. While dreams of being half-dressed would terrify most ordinary souls, ROGER goes out-and-about with remarkable calm dreamily abandoning his trousers and causing mayhem as he goes about his mundane life – at home, shopping, travelling and at play.

In the office, ROGER seemed content forever to hold his peace – now he is at large, his reputation will continue to precede him...
